

## **PEDIATRIC CLINIC MISSION AND VISION STATEMENTS**

### **Mission Statement**

**Save lives.  
Stamp out disease.  
Manage care.**

For the Tri-Care Prime eligible pediatric population.

### **Vision Statement**

To boldly go where few Pediatricians dare; to examine pediatric patients of all forms and sizes; to seek out existing and new disease entities, and eradicate them when possible; to provide quality services within the confines of managed care; and to have fun to the fullest extent possible.

### **Values**

Total Care Responsibility  
Dedication  
Selfless Service

Compassion  
Integrity  
Strive for Improvement
